Dear Families,

It is with gratitude that I extend my sincere THANKS for being a part of our wonderful school. As the weather begins to get a little cooler, I am reminded how fast the year is moving. The students are becoming more independent and taking more responsibility for their learning. Maria Montessori once said, "The greatest sign of success for a teacher... is to be able to say, 'The children are now working as if I did not exist.'" I see this happening in our classes and in our school. We are blessed to have the BEST teachers in all of Brevard. Along with that, I see the same thing happening with our families and volunteers. They are all dedicated and pitching in to help our school to run smoothly and successfully. Keep up the fantastic work and support of the school for your children. You will never regret the time spent on their education.

Sincerely,

Ms. Turner  
Principal

*Thank you*

*Daylight Savings Time is Sunday, November 4<sup>th</sup>. Move your clocks back one hour.*

One of our sixth grade students, Jayda will be able to see her art work on display at this time. She was chosen to represent our school with her original piece of art. We are thrilled for this opportunity for our students. Tuesday, November 6<sup>th</sup> will be a day dedicated to looking into the future. Ms. Giampaolo and Ms. Turner will chaperone this event.
