Dear Families,

Welcome to the final month of the calendar year! We have been able to participate in many more events than we did in the past few years. Our grade six students will head to Kennedy Space Center on December 1st. We are so excited to hear about their adventure! Morning Mile will continue for December and we will re-assess in January. On Tuesday, we only had one volunteer at 8:00. We need 3 to 4 to be safe and watch all the children. When dropping off your child, look for a GREEN laminated sign on the fence to show we have volunteers. If there is NO sign or it is RED, **do not drop off** your child. We want this to be fun, safe, and well supervised as this is a PTO volunteer event. I will be receiving some coupons for Gaylord Palms from BPS. They are intended for rewards and honor roll. I would like them to go to families who will be attending the events. Please let me know if you may go. I am sure they have black out days. They should arrive soon with more details. [Art to Remember](#) has shipped, if it is coming to the school we will send them home. Most are home shipped.

Stay vigilant with hand washing, making healthy choices, and watching for symptoms of illness. Together we can help slow the spread of the viruses that are around us. We only have 15 school days in the month. Please ~~make every effort to be present and~~ have your children ready for school daily.

Sincerely,
Cheryl Turner
Principal/Administrator

Keep socks to a basic color in the uniform. Please save the FUN print prints for dress down days. Any color jacket can be worn to school and when outside. Thank you for supporting school rules.
