Dear Families,

Thank you for another fabulous year. Getting to know your family has been a great part of the school dynamic. Our new face on campus, Dr. Erik Thorson has brought a new direction and positive changes to the physical environment. Our new students now feel like old friends. The additional families have given lots of ideas and energy. We will end the year with a month of activities that I know families have been craving. Although we will continue to take precautions, families will get to mingle more. We will say good-bye to our 6th grade class and wish them well as they head to middle school. All of these things are natural progressions for our students to grow and thrive. We hope they remember lessons learned along the way and will continue to make good choices where ever they go. Enjoy the final month of school and memories gained as we finish up this year and look forward to a new school year in the Fall. If you need s over the summer, please reach out as we will be here. Our final governing board meeting is scheduled for June 15th @ 3:00pm.

Sincerely,

*Cheryl Turner
Principal and Administrator*

Yearbook have arrived and will go home on May 18th. We will get together as a school to sign our books on Friday, May 20th. A limited amount are still available through Pictavo or in the office. We still have a few last year editions.

Health and Wellness Day Monday May 23rd

We are so excited to be able to participate in our annual day of looking for healthy choices for the summer. On this day we will meet as a whole school (grades K-6) and visit different stations outside that promote a prosperous summer. Dress down for movement and don't forget to apply sunscreen, wear a hat, bring a water bottle, and maybe sunglasses. Students will be outside most of the day. Each student will leave with a bag of information from the many people we had lead the day. If you have a person who want to donate their time to our event, please contact Mrs. Turner. Our events include Yoga, Martial arts, water safety, bike safety, etc. We are very pleased to include ThinkStretch, which is a summer activity (8 week) that will help your child in STEM to be prepared for the upcoming grade. See the attached flier for more information. Completed workbooks will be returned the first week of school and we will recognize those who completed the activities at our first Sprit Day assembly.

State Testing for grades 3-6 will continue. May 3-6th will be reading and math. May 16 and 17 will be Science for grades 5. Please be on time and ready to do your best! This very short window needs to be used to get our information on all students. Thank you for supporting your child(ren) and our school!

Our final PTO meeting will be on Tuesday, May 10th from 6-7:30pm. Join us via Zoom to stay informed and be involved. Meeting ID: 306 554 4821 Passcode: PTO5.10.22

6th Grade Graduation and End of Year Celebration (EHCS)

May 24th 4:00

We will meet together to celebration the completion of the school year and send our 6th graders off to middle school with a graduation. This event will be OUTSIDE with a “Summer” theme. Bring your own blanket or lawn chairs. With early release that day, we will begin at 4:00. Parking is very limited so only bring only car per family. If you can carpool, please consider that. The venue is the City of West Melbourne Amphitheatre (3000 Minton Rd). Feel free to stay after the event and socialize or play together. We will have the KONA truck there for each performing K-6 student to get an icy treat. We ask everyone to please wait to get their treat until the program ends.
