Dear Families,

We are “lucky” to be a part of the school family together. After a nice Spring Break we will have your registration packets ready to go home. Thank you in advance for carefully filling out this information to help us plan. Don’t forget to move your clocks ahead on March 12th. We have FUN activities planned for this month including an evening at DEFY in Palm Bay to raise money for our first ever Fall Family FUNtastic Day. Many hands will be needed to make this a great event. Thank you for being a part of our school family! In addition, our parent survey is open for you to complete! This will give us good feedback as we reflect on the year.

Sincerely,

Mrs. Cheryl Turner

Principal

Spirit Day will be March 3rd, Friday at 9:00am. Join us as room 8 leads us as we welcome the month of March.

FINAL chance to buy the yearbook for the pre-sale price of \$20.00 ends on March 9th. Send in the form or order online through Pictavo with our school number 708161. The form is attached.

Join us Tuesday, March 7th at 6:30 for our monthly PTO meeting. We will focus on the parent’s role in education and especially a Montessori environment. Come learn a little more about the philosophy of Dr. Maria Montessori. A place where the emphasis is on a hand-on learning environment which develops real-world skills. It teaches independence, time management, responsibility, and challenges the student to reach as far as they can.

For concerns about school operations, contact Dr. Erik Thorson, Operator and Parent Liaison 321-779-0031

Parent Participation for VPK, Preschool and Kindergarten. On Tuesday, March 21st, we will hold our second Montessori participation evening. ONE adult will follow the child and be the “student” as they work through a few activities for the evening. Teachers will divide the class into two sessions, 6:00 to 6:25 OR 6:30 to 6:55. You will see a glimpse of what your child does in the classroom. You will see their focus and stamina as they show YOU how to complete a “work”. You will see many activities going on at the same time and yet children can focus on their own work without paying attention to the other children working. They will introduce you to materials they use on a daily basis which will scaffold into even “bigger” work as they grow.

On March 2nd we honor the birthday of “Dr. Seuss”. Theodor Seuss "Ted" Geisel was an American children's author, political cartoonist, illustrator, poet, animator, and filmmaker. He is known for his work writing and illustrating more than 60 books. Students may add accents to their uniforms and bring in a favorite SEUSS book to read. One of his famous quotes reminds us to take time to read.....

“The more that you read, the more things you will know. The more that you learn, the more places you'll go.”

Jog-a-thon

Please turn in your pledges by March 6th to be considered for the prizes. Anyone donating \$25.00 or more will get a dress down pass. Classes who have 90% participation will earn a \$20.00 Amazon gift card for the classroom. The top earning class will receive a \$40.00 Amazon gift certificate for the classroom. All profits will be used by PTO for our school events and facilities. Thank you for participating!

Science and Engineering and ART FAIR

Congratulation to our students who will be moving on to the Regional Fair. They will meet with judges on March 8th at 9:30 for an interview. EVERYONE in the school is welcome to the open house 5:30 with awards at 6:00pm at Central Middle School. Come and see some awesome SCIENCE in action! We will also have some students entered in the Art side of the fair.

SPRING BREAK begins for students on March 13th. We will be putting together your registration packets and have them ready for you when you return on March 21st. Teachers will have a work day on March 20th. Our Kindergarten class has the responsibility of putting together a luncheon for the staff. Your involvement will work towards your ten volunteer hours required for the school year.
